PATIENT AFFIRMATION OF CONTRACTS

Regarding the Health Services, Notice of Privacy Practices, & Consent to Treat Contracts

All contracts are available to read in our office and on our website: www.DrJenGentry.com

HEALTH SERVICES CONTRACT

I have read the "Health Care Services Contract." I have read and understand my patient rights and the financial policies of Calvo Naturopathic and agree to the terms and conditions. I understand that there is a fee for missed appointments and for lengthy phone consults. Fees at Calvo Naturopathic may change, but I will always be made aware of any changes prior to my visit. Calvo Naturopathic will provide a copy of the "Health Care Services Contract" to me at my request or I may access this information at www.DrJenGentry.com

NOTICE OF PRIVACY PRACTICES

I hereby acknowledge that I have been provided information on how my personal health information may be used in accordance with HIPAA federal regulations. I have read, or have had read to me the "Notice of Privacy Practices" and agree to the terms and conditions. Calvo Naturopathic will provide a copy of the "Notice of Privacy Practices" to me at my request or I may access this information at www.DrJenGentry.com

CONSENT TO TREAT CONTRACT

I am seeking medical health care services at Calvo Naturopathic. I have read, or have had read to me the "Consent to Treat Contract" and agree to the terms and conditions. I will always have an opportunity to discuss the value of any treatment and will have an opportunity to verbally agree to a treatment before it is performed. If I refuse a particular therapy, this will be noted in my chart for future reference. I intend this consent form to cover the entire course of treatment for my present condition and for any future condition(s) for which I seek treatment. Calvo Naturopathic will provide a copy of the "Consent to Treat Contract" to me at my request or I may access this information at www.DrJenGentry.com.

RELEASE OF INFORMATION

I give the physician the authority to share with any consultant all information deemed necessary to coordinate my medical care. This includes sharing/mailing/faxing information such as office notes, EKGs, laboratory results, x-ray reports, medication lists and other consultant's notes to physicians, hospitals, pharmacists and insurance companies.

INSURANCE AND ASSIGNMENT OF BENEFITS

Calvo Naturopathic is not an insurance provider. Super bills are gladly provided and insurance is filed on request; however, reimbursement is not guaranteed. Medicare does not cover naturopathic care. I understand I am always responsible for pre-payment regardless of the insurance coverage I may have.

I assign any insurance benefits to which I may be entitled to the physician providing the services. These benefits will be reimbursed to me if there is a credit on my account. I understand that I am responsible for any charges not covered by this assignment. I authorize release of any medical or other information necessary to process my insurance claims. I authorize the physician to provide from my records any and all information requested by my insurance company or other third party payer, in connection with payment for my incurred charges. I also authorize the physician to provide any quality review organization affiliated with my insurer the information it requests for use in Utilization Management/Review. Some plans may require a referral from my primary care physician and it is my responsibility. I authorize disclosure of records to my insurance carrier, lawyer, or referring practitioner.

EMERGENCIES

I understand that if I have an urgent medical condition, and am unable to reach Dr. Gentry, it is my responsibility to seek appropriate medical care. I understand that IF THERE IS A MEDIAL EMERGENCY I AM TO DIAL 911 IMMEDIATELY.

PHYSICIAN-PATIENT ARBITRATION AGREEMENT

Article 1: **Agreement to Arbitrate:** It is understood that any dispute as to medical malpractice, that is as to whether any medical services rendered under this contract were unnecessary or unauthorized or were improperly, negligently or incompetently rendered, will be determined by submission to arbitration as provided by Arizona law, and not by a lawsuit or resort to court process except as Arizona law provides for judicial review of arbitration proceedings. Both parties to this contract, by entering into it, are giving up their constitutional right to have any such dispute decided in a court of law before a jury, and instead are accepting the use of binding arbitration.

Article 2: **All Claims Must Be Arbitrated:** It is the intention of the parties that this agreement shall cover all existing or subsequent claims or controversies whether in tort, contract or otherwise, and shall bind all parties whose claims may arise out of or in any way relate to treatment or services provided or not provided by the below identified physician, medical group or association, their partners, associates, associations, corporations, partnerships, employees, agents, clinics, and/or providers (hereinafter collectively referred to as "Physician") to a patient, including any spouse or heirs of the patient and any children, whether born or unborn, at the time of the occurrence giving rise to any claim. In the case of any pregnant mother, the term "patient" herein shall mean both the mother and the mother's expected child or children.

Filing by Physician of any action in any court by the physician to collect any fee from the patient shall not waive the right to compel arbitration of any malpractice claim. However, following the assertion of any claim against a Physician, including any fee dispute, whether or not the subject of any existing court action shall also be resolved by arbitration.

Article 3: **Procedures and Applicable Law:** A demand for arbitration must be communicated in writing by U.S. mail, postage prepaid, to all parties, describing-the claim against Physician, the amount of damages sought, and the names, addresses and telephone numbers of the patient, and (if applicable) his/her attorney. The parties shall thereafter select an arbitrator who was previously a court judge. Both parties agree the arbitration shall be governed pursuant to Arizona Revised Statutes (ARS) 12-1501-12-1518 and the Federal Arbitration Act (9 U.S.C 1-4), and that they have the absolute right to arbitrate separately the issues of liability and damages upon written request to the arbitrator. The parties shall bear their own costs, fees and expenses, along with a pro rata share of the neutral arbitrator's fees and expenses.

Article 4: **Revocation:** This agreement may be revoked by written notice delivered to Physician within 30 days of signature and if not revoked will govern all medical services received by the patient.

Article 5: **Severability Provision:** In the event any provision(s) of this Agreement is declared void and/or unenforceable, such provision(s) shall be deemed severed there from and the remainder of the Agreement enforced in accordance with Arizona and federal law.

I understand that I have the right to receive a copy of this agreement. By my signature below, I acknowledge that I have received a copy.

NOTICE: BY SIGNING THIS CONTRACT YOU ARE AGREEING TO HAVE ANY ISSUE OF MEDICAL MALPRACTICE DECIDED BY NEUTRAL ARBITRATION AND YOU ARE GIVING UP YOUR RIGHT TO A JURY OR COURT TRIAL. SEE ARTICLE 1 OF THIS CONTRACT.
